Voting instructions will be sent out to individual ISSA UK members in good standing near the 23<sup>rd</sup> October 2009.

### **Nominations for ISSA UK Chapter Treasurer - position in 2 year term (term 2010-2012)**

The following member have been nominated for the position of ISSA UK Chapter Treasurer:

#### **Roger Ellis**

Previously I served as the IT Director for the FTSE 100 Company Blue Circle for some 12 years and am a past Chairman of both BCS Elite and the London Branch of the International Wine & Food Society

Currently I am the incumbent as the Treasurer for the UK Chapter of the ISSA, as well as having a daytime role as the Managing Director of the Great British Business Alliance and the Chairman of the IT Director's Network.

I also serve as a Court Assistant for the City of London Livery Company, the Information Technologists', and am a Freeman of the City of London, a Fellow of the BCS, a Fellow of IMIS and a Fellow of the Royal Society of Arts.

I have much enjoyed the past couple of years as Treasurer and hope you will support my application to serve for another two years.

## **Nominations for ISSA UK Officer-at-Large - positions in 2 year terms (term 2010-2012)**

The following members have been nominated for one of two position's of ISSA UK Chapter Officer-at-large:

### **Karl DiMascio**

Karl DiMascio has been involved in Information Security for a number of years, currently he is serving as a Board Director for the UK chapter.

Currently working in the recruitment of Information Security professionals, there are not many people that do not know Karl, and its these relationships that will benefit the UK Chapter in terms of continued growth, market presence and industry recognition.

### **Leslie Alexander Fraser (Les)**

I have worked in IT since the 60's and have been an Information Security specialist for the last 20 years, including a number of years as head of Information Security in a large government department. Now semi-retired, I work as a freelance CLAS consultant, working mostly in the police and criminal justice area. For several years I worked with the BCS to position them as a player in Information Security. I have a wealth of experience to bring to the ISSA and would look forward to making a positive contribution if I were to be elected.

## Raj Samani

Raj has been involved in Information Security for over ten years, working for and within some of the largest private and public sector organisations in the world. He is currently working in the Capgemini UK Security consulting practice working as CISO for a large public sector department, having previously worked in the Deloitte UK Security consulting practice, as well as previously working as the EMEA Technical Manager for Vulnerability assessment company Qualys.

In addition, Raj is currently the Vice President for Communications in the ISSA UK Chapter for two years, after previously working as the Mentoring Chairman for the UK Chapter for two years.
